Re: Clarification and Billing Guidelines for ACT and CFT Programs

The Bureau for Medical Services thanks you for your continued care of our Medicaid Members. The Community Mental Health Centers and Licensed Behavioral Centers that offer Assertive Community Treatment Programs and/or Community Focused Treatment Programs will be filing claims for Community Integration Transportation that does not fall under the privy of MTM, West Virginia Medicaid's transportation broker, for Non-Emergency Transportation Services. The following service codes you will bill as of October 1, 2014 are **A0120 DD HE** and **A0160 DD HE**. There will be a 500 mile limit per member per month. An FAQ/Policy Clarification will be posted concerning this change. If you have any questions concerning this please feel free to contact myself or Tammy Pritt Jones, Transportation Services Director, through email [Tammy.L.Pritt-Jones@wv.gov](mailto:Tammy.L.Pritt-Jones@wv.gov) or at 304-356-4875.

Sincerely,

  
Cynthia Parsons
